

Promoting Research in Oncology Nursing (PRON) Meeting 2018

Venue: Wychwood Park, Crewe, Cheshire
Date: 29th and 30th June 2018

Promoting Research in Oncology Nursing (PRON) Meeting 2018

The National Lung Cancer Forum for Nurses (NLCFN) is running a research training meeting to promote research engagement and develop research ability in oncology nursing.

What is the purpose of PRON?

The training aims to provide an introduction to research and to develop research confidence for NLCFN members.

When will PRON take place?

The meeting will take place over one and a half days. The dates are Friday 29th June (all day) and Saturday 30th June (morning) 2018.

The agenda will include a mix of presentations, interactive sessions and reflection on individual research development needs and goals.

OUTLINE PROGRAMME

- Why is research important to you?
- What do we mean by being involved in research?
- Overview of the research process
- Getting involved in research
- Building networks
- Funding opportunities
- Getting people on board with your research plan and engaging them
- Quietening your inner critique
- Examples of research pathways
- Next steps

WHAT DO I DO IF I WANT TO TAKE PART?

If you would like to attend the PRON meeting please register at
<https://www.nlcfn.org.uk/prons-meeting-2018>

Who should attend PRON?

We have places for a maximum of 30 delegates. Delegates will be nurses working in lung cancer and oncology settings from across the UK and who are members of either the NLCFN and/or UKONS.

We welcome applications from nurses working in specialist roles, in ward and community and research nursing.

Participants can use the experience and learning to support revalidation with the Nursing and Midwifery Council (NMC).

Who is involved in running PRON?

PRON will be delivered by experienced clinical and academic speakers including the following:

Professor Angela Tod, *University of Sheffield*

Vanessa Beattie, *NLCFN Chair*

Dr Lynne Goodacre, *LG Personal Development*

Dr Lynn Calman, *University of Southampton*

Prof Janelle Yorke, *Christie Hospital/University of Manchester*

Amy Kerr, *Heart of England NHS Foundation Trust*

Roma Maguire, *University of Strathclyde, Glasgow*

Dr Clare De Normanville, *Sheffield Hallam University*

Clare Warnock, *Weston Park Hospital, Sheffield*

Lavinia Magee, *Nurse Consultant, Papworth*

Josie Roberts, *Lung Cancer Nurse Specialist, Rotherham*

Dr Natalie Doyle, *Nurse Consultant, Royal Marsden NHS Foundation Trust*

The NLCFN has received sponsorship from Boehringer Ingelheim to support the PRON programme. Sponsors have no input into the content of this programme. Attendance and overnight accommodation (1 night only) is free of charge to delegates. Reasonable standard class travel expenses will be reimbursed.

It is anticipated that a member of the Boehringer Ingelheim Medical Team will be present at the meeting.

Networking, support, educational and research programmes to support specialist lung cancer nurses working in the UK
